

## SUMMER 2017 PROGRAM INFORMATION

**Camp Begins:** June 19, 2017

**Camp Hours:** 8:45am-3:30pm  
8:00am-4:30pm (extended care option for \$10/day)

**Sports Camp Track:** A special “Sports Camp” fitness track is available with an emphasis on personal physical growth. Campers will learn the fundamentals of sports such as basketball, gymnastics, baseball, softball, soccer, and more. The Sports Camp track is for the athlete in your family of any age who is open to good-natured competition while gaining leadership and team-building experience. The weekly themes will be embedded within the Sports Camp track.

**Weekly Field Trips and Special Activities:** Each Wednesday, campers take a fun-filled, enriching journey to some of the best field trip locations in Los Angeles for no extra charge. Throughout the week, campers cool off with our many water games and activities, including the mega inflatable waterslides! Special guests arrive regularly as well to dazzle and delight the campers!

**Cost:** \$380 per week - 50% due at registration and the balance due June 1, 2017. Full payment is required for all registrations after June 10th.

\$250 per week for half days (noon departure, or noon arrival)  
\$100 for single days

Camp is closed July 4th and that week costs \$280 (if you choose that week and pay \$380, the price of a full week, the difference will be refunded).

\*Note: some classes require a materials fee which we'll bill, if applicable.

**Registration Fee:** \$75 (waived for all Los Encinos School students and returning campers).

**Make checks payable to “Camp Los Encinos” or pay  
online: [www.losencinosschool.org/camp](http://www.losencinosschool.org/camp)**

**Daily Schedule:** At Camp Los Encinos, the campers get to choose! Turn the page to see the activity options that are offered each week. Most are available to all grades (1-6). If not, the grades are indicated in **bold**.

## SUMMER 2017 WEEKLY SCHEDULE

losencinosschool.org/camp

FORM ID:041317

Each camper gets to design their activities for the week.

Please circle one activity in each time block below (lunch, trips, guests, & group activities complete the day).

### Class Descriptions

**Arts & Crafts/Sculpture:** Campers will work with clay, wire, papier mache and other materials, exploring various artistic techniques. The emphasis will be on the creative process and having fun!

**Computers/Robotics/3D Printing:** Technology offers us multiple ways to learn and be creative. If you like gadgets, these are the classes for you!

**Enrichment Classes:** Math enrichment offers games that cover basic concepts and keeps the mind engaged throughout the summer. Reading enrichment reinforces reading comprehension and fluency.

**Kitchen/Cooking:** We have a modified working kitchen on campus to serve up a variety of delectable treats, hot and cold. Learn cooking basics and enjoy both the sweet and the savory concoctions!

**Monster Biology:** Monsters aren't scary when you see them through a scientific lens. Compare and contrast monster myths from around the world while uncovering the real life science behind famous creatures such as Cyclops, Frankenstein, and more!

**Yoga:** Become a skilled yoga practitioner while learning safe stretching techniques in a relaxing environment.

If you'd like more specifics on any of the classes, please call (818) 990-1006 or email [camp@losencinosschool.org](mailto:camp@losencinosschool.org).
