PAYMENT PLANS AND ASSISTANCE

Tuition payments may be made in one, three, or 10 equal payments (with a service charge and refund insurance program for all plans other than single payment).

The **Los Encinos School Tuition Assistance Program** strives to make sure that if a child and family are a good match for the school, then finances should not prevent that child from attending. We use "Financial Aid for Student Tuition," or FAST, which has its own online application (more information is available near the end of the page at losencinoschool.org/admissions).
