

## SUMMER 2023 PROGRAM INFORMATION

Camp Begins: June 12, 2023 for seven weeks (join us daily or weekly).  
CLOSED Mon. June 19th and Tue. July 4th, cost adjusted below.

Camp Hours: 8:45am-3:15pm  
8:00am-4:00pm (free extended care)

Weekly Special Activities: Each Wednesday is a special event day which may include special guests, activities or field trips. Throughout the week, campers cool off with our many water games and activities, including the mega inflatable waterslides! Special guests arrive, as well, to dazzle and delight the campers!

Cost: \$375 per week - Early-Bird Price through March 31st (regularly \$425/week) \$125 for single days (email [camp@losencinosschool.org](mailto:camp@losencinosschool.org) if you'd like to attend and it's less than 24 hours before the camp day starts.)

Camp is closed Mon., July 19th and Tue., July 4th (those weeks cost \$340 for campers, or \$290 early-bird until March 31st, or \$250 for CITs, no early-bird option for CITs).

Refunds: Full refunds will be given until May 1st, or if camp is required to cancel due to LA County COVID-19 restrictions.

After May 1st, there's a \$20 change fee per activity at camp's discretion.

Register and select classes online at  
[www.LES.camp](http://www.LES.camp)

Daily Schedule: Camp Los Encinos is the camp where the camper gets to choose! Turn the page to see the activity options that are offered each week. Most classes comprise a one-hour block, however some require two blocks and are indicated as a "DoubleBlock." Campers may not select only one half of a DoubleBlock class (both timeslots are required).

Bring lunch, water bottle, and towel (apply sunscreen before arriving).

## Class Descriptions

**Arts & Crafts/Sculpture:** Campers will work with clay, wire, papier mache and other materials, exploring various artistic techniques. The emphasis will be on the creative process and having fun!

**Computers/Wireless/3D Printing:** Technology offers us multiple ways to learn and be creative. If you like gadgets, these are the classes for you!

**Enrichment Classes:** Math enrichment offers games that cover basic concepts and keeps the mind engaged throughout the summer. Reading enrichment reinforces reading comprehension and fluency.

**Kitchen/Cooking:** We have a modified working kitchen on campus to serve up a variety of delectable treats, hot and cold. Learn cooking basics and enjoy both the sweet and the savory concoctions!

**Yoga:** Become a skilled yoga practitioner while learning safe stretching techniques in a relaxing environment.

If you'd like more specifics on any of the classes, please email [camp@losencinosschool.org](mailto:camp@losencinosschool.org).
